Photographic Journaling to help tell the story – Dewayne & Ginnie Lowther, Visual Journalists and Digital Storytellers

*200th Anniversary Celebration  
Castleman Run United Methodist Church, Bethany, West Virginia  
August 22-24, 2014*

## **A Photographic Journal**

**Images by Ginnie and Dewayne Lowther  
to help tell the story of the three day celebration  
at Castleman Run which included a Reenactor's Encampment.**

Dewayne and Ginnie Lowther are both retired clergy members of the West Virginia Annual Conference of The United Methodist Church and current members of the Annual Conference Commission on Archives and History where Ginnie is Chair. When possible, they attend Church Anniversary Celebrations to bring greetings and a Certificate of Congratulations from the Conference.

Images in this book are from self assigned and self funded photojournaling by Ginnie and Dewayne who began photographing together in 1950 for their high school yearbook and now utilize digital technology to continue their life time enthusiasm for Visual Journaling and exhibiting images that document and affirm performing and visual arts, liturgical arts, community organizations, ministries of the Church, individuals, families, and beauty in the world.

Members and friends of Castleman Run Church shared in three days of activities to mark the congregation's 200th anniversary and to reenact the gift of land by George Jones to Rev. Joshua Monroe, a traveling preacher, who dedicated the area for worship.
